Welcome to AEE East

Connect with the Energy Leaders Shaping Tomorrow

AEE East brings together energy professionals, innovators, and solution providers from across Eastern Canada and New England.

With 500+ attendees expected, you'll connect with decision-makers, build valuable partnerships, and showcase your solutions to the professionals driving energy progress across the region.

ABOUT AEE

The Association of Energy Engineers (AEE) is a global nonprofit serving energy professionals through education, certification, networking, and professional development.

With 18,000+ members in 130+ countries, AEE supports professionals working to improve energy efficiency, optimize building performance, reduce emissions, and advance a more sustainable energy future.

AEE is home to the Certified Energy Manager® (CEM®), one of the world's most recognized energy credentials.

Decision-Makers. Innovators. Energy Leaders.

Social media audience

I enjoyed talking to the different vendors at the technology expo.

A fantastic hub for staying current with the latest technologies and trends in the building energy industry.

The networking and learning opportunities exceeded my expectations. I will be at the next one!
